

# 2010 Competition Calendar

March 19th-21st, American Dance Awards- SCSU, New Haven

April 23rd-25th, DanceXplosion- North Branford High School

April 30th- May 2nd, Nexstar, North Branford High School

**Please keep your entire weekend schedule clear for these dates. The competition management will not let us know the day and time each group will perform until 7 days before the competition. Let me know ASAP if you have a conflict with any of these weekends.**

The last two competitions are on back to back weekends, which is not ideal. The nice thing is that both competitions are close to home in North Branford, and they are both competitions that we have enjoyed going to in the past.

From time to time the competitions changed their location and force me to adjust the schedule. I will make every effort to stick with the above dates. If any changes occur, I will let you know immediately.

thank you!
