

The Dance Corner News: November 2020

The Season of Giving

November already? Wow! I can't believe how fast this season is going!

The holiday season is upon us and for me this is a time to reflect on the past year and the many blessings in my life. I am thankful for many things, my family, my health and my lovable, rascally dogs!

This year more than ever, I am thankful to my supportive staff here at TDC and to the families and children who have chosen to be a part of our dance community. I never imagined when I started this journey as a dance studio owner that I would be running a business during a pandemic. The daily challenges may be a little more during this time, but the rewards and most importantly the human interactions that this dance-studio-owner life provide me are incredible and I can't imagine getting out of bed every morning for any other job. I am infinitely thankful for all of you who allow me to live this life everyday and supported The Dance Corner and our staff for the past 7 1/2 months.

For the past 4 years we have celebrated Thankful Giving November here at TDC.

Thankful Giving November is project for our studio community to share what we are thankful for, while giving back to those in need. There are two parts to this event that you can participate in.

Part 1 - Donate 3 non-perishable food items and you can get a "**Dress Code Pass**", to

wear any athletic or dance related attire you choose for your class, and not have to follow the dress code. (For each class you are in, you must donate 3 non-perishable food items to get a pass). With that being said, your hair still has to be off of your face and you have to have the correct footwear for class.

Food donations should be brought to your dance class.

Part 2 - We will be selling paper leaves to write what you are thankful for to place on our **Thankful Giving Tree** - each leaf is \$1 and The Dance Corner will match each \$1. This year our Thankful Giving Tree will be outside on the sidewalk in front of the studio during class drop-off times.

Students can buy thankful leaves from one of our staff greeters outside when they are dropped off for class and hang it on the tree.

All donations of food and proceeds from the sale of leaves will go to the Shoreline Soup Kitchens.

Please help us give back to those in need this holiday season.

Thank you for choosing The Dance Corner!

~ Miss Carrie

Costume Measurements Due Nov. 5th

Measuring tapes and instructions were sent home with students last week.

Please use the measuring tape sent home with your dancer to measure their girth in INCHES.

Male students do not need to be measured.

Once you have your measurement, please Click the button below to enter it into a short [google form](#).

Our office will contact you if we have any questions or think your measurement may be off in any way. Please reach out to us if you have any questions.

Thank you!

Watch the short video below to learn how to measure. It is easy and fast!
